

EVERYBODY'S GOT TO HAVE A HERO

Everybody's got to have a hero,
Someone they would really like to be,
Everybody's got to have a hero, like me.

Everybody's got to have a hero,
Someone they can really look up to,
Everybody's got to have a hero, like you.

EVERYONE:

Heroes come in many shapes and sizes;
Heroes come in many colors, too.
Heroes can be male or can be female
It's what they accomplish, what they do

Everybody's got to have a hero.
Someone in their life who is a plus,
Everybody's got to have a hero, like us.

Heroes come in many shapes and sizes;
Heroes come in many colors, too.
Heroes can be male or can be female
It's what they accomplish, what they do

Everybody's got to have a hero.
Someone in their life who is a plus,
Everybody's got to have a hero, like us.
