

SAY SOMETHING GOOD ABOUT AMERICA

EVERYONE:

Say something good about America,
America, America.

Say something good about America,
America today.

All Girls →
We got a lot to be proud of
We got a lot we can cheer
We've every right to be thankful
That in this world we are here.

EVERYONE:

Say something good about America,
America, America.

Say something good about America,
America today

All Boys →
Nobody said we were perfect
We've got our faults you can see
But we've got something to build on
That we're a country that's free.

EVERYONE:

Say something good about America,
America, America.

Say something good about America,
America today.
